

## Accountancy Option Flow Chart 2002-2003 through 2008-2009 Catalogues

—————> Indicates one course prerequisite to the next.

+ Indicates corequisites (written permission of ACG Department Chair required to take separately).

*a* Beginning catalogue year 2004– 2005 a grade of “C” or better is required. Previously needed a “C-.”

*b* Beginning catalogue year 2005– 2006, a grade of “C-” or better is required. Previously needed only a passing grade.

*c* Or other information systems/database course approved by ACG Department Chair (e.g., MIS 311 was approved through Fall 2004).

*d* If planning internship in spring of senior year, take this course in fall of senior year (it’s not offered in the summer).

*e* Beginning catalogue year 2008– 2009, a grade of “C” or better is required. Previously needed only a passing grade.

*f* If you take ACG 306 in Spring 2006 or later, you must take ACG 406 instead of MIS 315. If you take ACG 306 before Spring 2006, you must take MIS 315 instead of ACG 406.
